# PERSONALITY TYPE

## THE CHAMPION

You are a people-centred creator with a focus on possibilities and a contagious enthusiasm for new ideas, people and activities. Energetic, warm, and passionate, you love to help other people explore their creative potential.

# STRENGTHS

Excellent communicator - You have outstanding communication skills and know-how to use them.

Imaginative - You are imaginative problem solvers and reject the idea that traditional ways are always the best.

Natural leader - You step forward to assume positions of leadership readily and instinctively.

Strong social conscience - Often active in social movements, you stand up for what you believe in without apology.

# WEAKNESSES

Hypersensitivity - You sometimes let your imaginations run wild and often perceive bad intentions that don't really exist.

Lack of focus and follow through - You are endlessly creative, capable of filling a thousand days with a thousand bold ideas. But you don't always follow through on your inspiration.

Overthink things - You have a tendency to perceive slights, resentments or hostility where none actually exist, and your habit of overanalyzing other people's behaviour can lead to unnecessary anger and conflict.

Overemotional and approval seeking - While emotional expression is a core part of your identity, you can come on too strong.
